IMPORTANT

I understand and have verified the benefit selections I have made and authorize any payroll deductions required for these selections. I also understand that the above selections for, dental, vision and voluntary life (which may be pre-tax deductions) may not be changed during the year unless I have a qualified change in family status as defined by the Internal Revenue Service. I understand that any requests for such a change must be submitted in writing to my Benefits Contact within 31 days of the qualifying event. I understand that, by participating in any pre-tax plan, my Social Security benefits may be affected because the above elections will be deducted before my salary is taxed. Please note any missing information on this enrollment form in its entirety may delay your enrollment into the plans.

Effective dates will always be on the 1st of the month.

Terminations are always on the last day of the month.

Please be aware, if your carriers are not notified of a employees termination of the plan before the last day of the month in which the termination occurred then the carrier will continue to charge you for that employee until they are notified, which could involve your organization being charged for a premium for an employee who is not longer active on the plan. This will also affect the date the employee is subject to either COBRA or state continuation, whichever applies.
